

Council for Chemical Research 2015 Listing of Members

Industry

Arkema, Inc.
Bristol-Myers Squibb Research & Development - Pharmaceutical
Corning Incorporated
Dow Chemical Company
E.I. DuPont De Nemours & Company
ExxonMobil Chemical Company
LanzaTech
McKinsey & Company
Solvay Center for Research & Technology

Government Laboratories

Argonne National Laboratory
National Energy Technology Laboratory (NETL)
National Institute of Standards & Technology (NIST)
Oak Ridge National Laboratory
Pacific Northwest National Laboratory (PNNL)
Sandia National Laboratories

Academia

Auburn University Chemistry & Biochemistry
Auburn University Department of Chemical Engineering
Baylor University, Department of Chemistry & Biochemistry
Boston University Chemistry Department
Brown University Department of Chemistry
Carnegie Mellon University Department of Chemical Engineering
Central Michigan University Chemistry
Clarkson University Chemical & Biomolecular Engineering
Clemson University College of Engineering & Science
Colorado State University Chemistry Department
Duquesne University Department of Chemistry & Biochemistry
Florida Institute of Technology Chemistry Department
Florida State University Chemistry & Biochemistry
Georgetown University - Chemistry Department
Georgia Institute of Technology Chemical & Biomolecular Engineering
Iowa State University Chemical & Biological Engineering
Johns Hopkins University Department of Chemistry
Johns Hopkins University Whiting School of Engineering
Kansas State University Chemical Engineering
Lehigh University Department of Chemical Engineering
Louisiana State University Chemical Engineering
Marquette University Chemistry Department
Massachusetts Institute of Technology Chemical Engineering
Miami University of Ohio Chemistry & Biochemistry
Michigan State University Chemical Engineering and Materials
Michigan Technological University Department of Chemistry
New Jersey Institute of Technology Dept. of Chemical, Bio
North Carolina State University Department of Chemical & Bio
Ohio State University Chemistry & Biochemistry
Ohio State University William G Lowrie Dept of Chemical & Bio Engineering
Ohio University Chemical & Biomolecular Engineering
Oklahoma State University Chemical Engineering
Oregon State University Department of Chemistry
Pennsylvania State University Chemical Engineering
Prairie View A&M University Chemistry & Physics

Academia con't

Princeton University Chemical & Biological Engineering
Purdue University Chemical Engineering Department
Rice University Biochemistry and Cell Biology
Rochester Institute of Technology Sch of Chem & Mat'l Science
South Dakota School of Mines & Technology Chemical & Bio
South Dakota State University Chemistry & Biochemistry
SUNY at Stony Brook Department of Chemistry
Syracuse University Biomedical and Chemical Engineering
Testington Company
Texas A&M University Department of Chemical Engineering
Texas Christian University Department of Chemistry
Texas Tech University Chemistry & Biochemistry
Tufts University Department of Chemistry
Tulane University Chemistry Department
University of Alabama at Birmingham Department of Chemistry
University of California, Berkeley Chemical & Biomolecular E
University of California, Irvine Department of Chemistry
University of California, Santa Barbara Department of Chem
University of Chicago
University of Cincinnati Department of Chemistry
University of Delaware Chemical and Biomolecular Engineering
University of Florida
University of Illinois at Chicago Department of Chemistry
University of Illinois Department of Chemistry
University of Kansas Department of Chemistry
University of Maryland Chemistry & Biochemistry
University of Memphis Department of Chemistry
University of Michigan Chemical Engineering
University of Minnesota Department of Chemistry
University of Mississippi Chemistry & Biochemistry
University of Missouri-Kansas City Department of Chemistry
University of Nebraska-Lincoln Chemistry Department
University of New Hampshire Department of Chemistry
University of New Mexico Chemistry & Chemical Biology
University of New Orleans Department of Chemistry
University of North Dakota Chemistry Department
University of Notre Dame Department of Chemistry & Bio
University of Oregon Department of Chemistry
University of Pittsburgh Department of Chemical & Petroleum
University of Rochester Chemistry Department
University of South Carolina Chemical Engineering
University of Texas at Austin Chemical Engineering
University of Utah Chemical Engineering
University of Utah Chemistry Department
University of Virginia Chemical Engineering
University of Wisconsin - Madison Chemistry
Vanderbilt University Chemical & Biomolecular Engineering
Virginia Commonwealth University Department of Biochemistry
Washington State University Department of Chemistry
Washington University in St. Louis Energy, Environmental & Chem
Wayne State University Dept of Chemical Engineering & Mat
West Virginia University Chemical Engineering
Worcester Polytechnic Institute Chemical Engineering
